Note :

1. Students must report to the examination Centre at least one hour before the exam starts.
2. It is mandatory for the students to carry their admit cards in the examination hall.
3. Students are not permitted to have mobile phones or any electronic gadgets in their possession during the examination.
4. Candidates should verify that they have been given the correct question paper before starting to answer. Complaints regarding the question paper will not be addressed after the examination.
5. Simple calculators are permitted for use during the examination. However, exchanging calculators, erasers, pens, pencils, etc., is prohibited.
6. Students must occupy the seats assigned to them and are not allowed to change their seats without permission.
7. The duration of the examination will be clearly specified, and students must adhere to the allocated time. No extra time will be given under normal circumstances.
8. Students are expected to maintain silence during the examination and avoid any form of communication with fellow students. Any form of cheating or academic dishonesty will result in immediate disqualification.
9. Students are not allowed to leave the examination hall before the specified time except in cases of emergency, and only with the permission of the invigilator.
10. Students must ensure that they submit their answer sheets and any additional materials provided at the end of the examination.
11. Students must follow all instructions given by the invigilators or examination authorities. Disobeying instructions may lead to disciplinary action.
