**Circular**

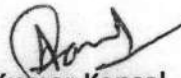

**Subject: Regarding Non-Government Fund**

In the reference of notification of F.1(226)/Merger of GBPEC & DITE with DSEU/SB/DTTE/2020/616 dated 28/05/2021 and F.1(221)/Inclusion of Ploy & ITI/DSEU/SB/DTTE/2020/584 dated 16/04/2021 regarding merger of G B Pant Engineering College, Delhi Institute of Tool Engineering and government Institute of Technology under DTTE in Delhi Skill and Entrepreneurship University, Delhi, it was brought to notice of the Competent Authority that Colleges and Institutes collect the fee their own prior their merger in Delhi Skill and Entrepreneurship University. As per the information available it is understood that different heads of the fee consist of the following

1. Government Continuation
2. Caution Money
3. Non-Government Fund
4. University/Board Affiliation and Examination Annual Fee
5. Miscellaneous

As per practice, Colleges/Institutes keep non-government fund to use at local level in their account after depositing required contribution to government and fee to university/board. Where Competent Authority has decided to collect the fee in a centralized manner, it has been observed that college/institutes had started collecting fee using different platform used previously.

In view of above, it is desired to maintain uniformity and effective records, Account will be opened and maintained at university level for such fund. Therefore, it is directed that non-government fund collected from all students by institute in the financial year shall be deposited to this account. Also, Campus/Institute shall deposit the non-government fund collected till last financial year and submit the expenditure details with reconciliation reports to DCA, DSEU at the earliest.
