APPLICATION OF MACHINE LEARNING IN DRONE TECHNOLOGY

A seminar on Application of Machine Learning in Drone Technology was organized on 07 September 2022, at Ambedkar DSEU Shakarpur Campus -I in collaborations with Enord Ltd. company by Mr. Shivam Gupta (Student's Chapter Incharge) Enord, India's First AI on edge Drone Tech Start-Up. Their vision is to design & develop drones that have an AI pilot system for autonomous navigation which is capable of flying even in any confined spaces that will ultimately create ease in operating, generating insights, and taking action that does not rely on GPS. After attending the fantabulous enord workshop students gained a fully refreshed knowledge on the drone technology towards which our nation is progressing with great pace. It would not have difficult to say that this session was a piece of art and such masterpieces should be conducted regularly because the students need it.
