DSEU INNOVATION & INCUBATION CENTER FOR ENTREPRENEURSHIP (DIICE)**

The Delhi Skill and Entrepreneurship University (DSEU) was established in August 2020 by the Government of NCT of Delhi (GNCTD) to equip students with world-class skill education to enable access to aspirational jobs and inculcate an entrepreneurial mind-set. DSEU aims to create a win-win for the youth and the industry by addressing the existing gaps in skill training. The University wishes to change the existing paradigm of skilling, transforming it in a way that makes skill acquisition aspirational. It aims to provide opportunities to everyone interested in up-skilling, and re-skilling.

In addition to this, DSEU has set-up an incubation center (DSEU Innovation & Incubation Centre for Entrepreneurs - DIICE) to support the entrepreneurial aspirations of its students and other external budding entrepreneurs. The incubator plans to run the following 4 programs currently:

- **'Business Blasters' program:** To support top 100-150 teams of grade XI & XII student entrepreneurs selected out of 51k+ teams across the government schools in Delhi. Each has been funded by a pool of donors/investors during an investment expo. Subsequently, the teams will now be incubated for business development at DSEU.
- **'SME' program:** To support ventures which aim to create small to medium businesses on the lines of existing business models, since DSEU runs multiple programs which encourage freelancing/setting up businesses (for e.g., Diploma in Interior Design, Diploma in Fashion Design, B.A. in Aesthetics & Beauty Therapy, etc.)
- **'Growth & Innovation' program:** To support ventures working on product or process innovations
- **'Women entrepreneurship' program:** To support aspiring women entrepreneurs living in disadvantaged parts of Delhi to set up micro-businesses.
