## Events & Initiatives at Campus by students/faculty

Event/Initiative Name	Faculty/Student in-charge	Number of attendees	Details (event description, student participation, student feedback)
Visit to Amritsar	Ms. Monika Garg and Ms. Nidhi Chawla	90	<p>Around 90 Students from 8 campuses across Delhi of DSEU visited Amritsar, Attari border, ranian border etc. Rajokari Campus was One of them. Students were briefed about the ensuing tour's purpose that as per the directive of Hon'ble L.G. of Delhi, our students should be made aware of the "How our Armed Forces and Central Police Organizations guard our nation, the border area realities, and see for the themselves the inclement weather conditions in which they work".</p> 
Workshop on Python Programming (Online)	Dr. Sunita Kumari Chaurasia and Ms Monika Garg	45 (Approx)	<p>Online Workshop on Python Programming was organized by DSEU Rajokri Campus for CE 5<sup>th</sup> Sem Students on 26<sup>th</sup> Nov 2022. Very informative interactive session was enjoyed by the students which was followed by test on Same.</p> 
University Fair [Global News Education]	Ms. Monika Garg		<p>On 18th November 9 students from both branches CE and ITESM volunteered in University Fair by Global News Education in Rosary Secondary School. It was a successful event. The volunteers conducted several activities such as giving advice to students regarding their future studies, providing them with information about the university and its courses, and guiding them through the application process. They also interacted with the students, answered their queries and helped them in understanding the various courses available. The students were also given the opportunity to interact with the representatives of the universities and learn more about the universities and their</p>

courses. The volunteers also helped in creating a warm and welcoming atmosphere for the students, which enabled them to feel comfortable and at ease. Overall, the event was a great success and provided a platform for the students to explore their future prospects. The students were awarded with certificate.

Library Management System

Mr. Amit Kumar Yadav

Students of CE 3<sup>rd</sup> semester (Aakash, Harsh, Mayank, Mukul and Nikhil) taken an initiative and designed a Library Management Website for issuing and returning of books using HTML, CSS and JS language which will help library staff of Rajokri Campus to go paper less.

Other initiatives/updates (optional) - pre-placement & training, internships, placement, etc.

Event/Initiative Name	Faculty/Student in-charge	Number of attendees	Details (event description, student participation, student feedback)
Tcs iOn Tech Skill Conclave	Ms. Monika Garg	60 (Approx)	<p>The main objective of the meet was to bridge the gap and promote interaction between industry and engineering Colleges. In a world where technology is changing very fast, it is indeed a challenging task to cater to the needs of industry for proficient manpower. The students were given brief introduction of the competitive coding program as well. The data of students were obtained for pre placement talks by TCS iON</p>
