Message from the Vice-Chancellor

Congratulations and a warm, enthusiastic welcome to the dynamic community of Delhi Skill and Entrepreneurship University (DSEU)!

It is with immense pleasure that I extend my heartfelt greetings to both our new and returning students. As the gates of DSEU swing open to usher you into our halls of knowledge, innovation, and growth, I am filled with excitement for the journey that lies ahead.

Here at DSEU, our unwavering commitment is to provide an exceptional, learner-centric skill education that aligns seamlessly with the demands of our rapidly evolving world. Our foremost aim is to equip each and every student with not only the tools, knowledge, and skills necessary for personal and professional advancement but also the confidence to take on the challenges of the modern era.

The meticulously designed curriculum across various academic programs at DSEU is strategically crafted to ignite your potential, transforming you into catalysts for economic and social change. We pride ourselves on fostering an environment where creativity, innovation, and entrepreneurship flourish, enabling you to embark on a journey of self-discovery and transformation.

Our esteemed faculty, dedicated staff, invaluable partners, and collaborative allies are constantly pioneering ground breaking initiatives that redefine what's possible. As you immerse yourself in the vibrant campus life at DSEU, you'll find a plethora of avenues to showcase your unique talents, refine your abilities, form meaningful connections, and collaborate closely within small, tightly-knit teams. These interactions will not only facilitate your personal growth but also nurture enduring relationships with our distinguished faculty and staff, setting you on a trajectory of lifelong learning.

DSEU presents you with an array of opportunities and benefits that are tailored to support your aspirations, both within and beyond the academic realm. I am confident that your journey with us will be richly rewarding, filled with moments of deep engagement and personal growth. I encourage you to explore every corner of our campuses, extract every ounce of knowledge, and embrace the full spectrum of experiences that DSEU has to offer.

With great anticipation, I look forward to witnessing your journey unfold, and I hope that you share my enthusiasm for an academic year brimming with novel experiences, endless possibilities, and remarkable growth.

As we forge ahead, aiming to conquer the challenges and seize the opportunities that the landscape of skill education presents, our commitment to fostering a resilient community and empowering our students and faculty remains unwavering. We are steadfast in our pursuit of investments that nurture passion, drive innovation, and solidify our University's standing as a beacon of excellence.

With my utmost and heartfelt best wishes.

Dr. Ashok Kumar Nagawat
Vice-Chancellor

About Delhi Skill and Entrepreneurship University

The Delhi Skill and Entrepreneurship University (DSEU) has been established through an act of the Legislative Assembly of the National Capital Territory of Delhi, namely the “Delhi Skill and Entrepreneurship University Act, 2019” (Delhi Act 04 of 2020) to provide quality education in applied sciences and skill education. The University aims to equip students with world-class skill education to enable access to aspirational jobs and inculcate an entrepreneurial mindset and entrepreneurship. DSEU creates a win-win for the youth and industry by filling the existing gaps in skill training.

Building on the education philosophy of thinkers, such as Mahatma Gandhi and Vinoba Bhave, DSEU aims to integrate the use of the hand, head and heart for balanced living and engagement in lifelong learning. The focus is on teaching both self-reliance for lifelong independence and the wisdom toward nurturing and valuing interdependence.

The University wishes to change the existing paradigm of skilling, making skill acquisition aspirational and providing opportunities to all for skilling, up-skilling and reskilling. Besides, DSEU will support and nurture entrepreneurs and provide quality mentorship to steer the entrepreneurial journeys of those interested, by providing incubation and hand-holding.

The University started with its inaugural Academic Year in 2021 and launched 15 Diploma programs, 18 Undergraduate programs (11 Flagship programs, BCA and 6 B.Tech. programs) and 2 Postgraduate programs across 13 campuses in Delhi. In the second academic cycle (2022-23), admissions for 15 Full-time Diploma programs, 2 Part-time Diploma programs, 15 UG programs, and 4 B.Tech. programs, 4 M.Tech. Programs, MCA and 4 Ph. D programs were conducted. In the third academic year i.e., 2023, the University is launching admission across 21 Campuses in Delhi in 17 Full-time Diploma programs, 12 Lateral Entry to Diploma Programs, Advanced Diploma in Automotive Mechatronics, 20 UG programs, 4 B.Tech. programs, 4 Lateral Entry to B. Tech programs, 4 M.Tech. programs, MCA, M.Sc. (Medical Laboratory Sciences), 4 PhD and various other Short Term Certificate programs.

The University’s focus is on offering programs in close collaboration with industry partners, which gives our students an edge in a better understanding of the skills required by the industry. Students undertake live projects, regularly interact with domain-specific experts, and take up on-the-job training in organisations during their program work, simultaneously integrating the theory learned in the classroom with actual work experience. It is this model of “learning by doing” which becomes a win-win situation for all stakeholders involved. Further, we have a dedicated team for External Relations and Placements & Partnerships which have created a transparent and robust ecosystem helping recruiters and students make informed decisions.

Vision, Mission and Key Principles

Vision

- To set the standards for skilling and entrepreneurship education.
- To lead the students at DSEU to experience personal transformation, who in turn become agents of bringing changes in the community.
- To become a leading partner in the sustainable growth of the industry and the country.

Mission

- To accord dignity to all skills by emphasizing its teaching and learning.
- To inculcate an entrepreneurial mindset for sustainable growth of the planet, the country, the society, the industry and the individual.
- To work in partnership with the industry to nurture talent which is honed to be ready-to-work on the day of graduation.

Key Principles

Delhi Skill and Entrepreneurship University has defined some key principles which are embedded in all its programs to help in the holistic development of all students:

- Develop market-linked programs by customizing them to specific job roles.
- Multiple entry/exit options and offer integrated career pathways.
- Design inclusive programs.
- Ensure holistic development by deeply integrating employability/life skills in the curriculum.
- Leverage technology.
- Equip students with an entrepreneurial mindset.

Outreach and Extension

DSEU has a dedicated **Centre for External Relations and Partnerships (CERP)**, for developing and facilitating effective **long term mutually beneficial partnerships** with national/international organisations, academic bodies, experts and communities; providing industry interface activities to students and conducting on-campus internship and placement drives; planning and organising year-round **pre-placement support** in terms of personality development and grooming through one-on-one counselling, workshops on resume building and mock interviews etc. Providing **internship and apprenticeship** to every student and **connecting alumni and industry professionals** with the university at large.

Relevant industry partners like Infosys, ISS, Metropolis, HDFC, James Douglas, Hafele India, Oneline Wellness, Enrich, UNICEF (Yuwaah), FinCart, CodeChef, GTT, SIDBI, BlueStar, and many other companies have collaborated with DSEU to customise each of our programs and devoted their time to the **Curriculum Advisory Groups (CAG)**, ensuring that all of our students have an experience that is both practical and applicable to the workplace. State-of-the-art laboratories and equipment are also being made available by several of our partners.

Sector Skill Councils (SSCs) like **Retailers Association's Skill Council of India Telecom Sector Skill Council, Logistics Skill Council, and Electronics Sector Skill Council of India (ESSCI)**, are strategic partners of DSEU. These SSCs not only assist in identifying in-demand courses but also support with curriculum designing, engaging relevant employers, and assisting with internships, mentorship, and student placement.

DSEU work closely with local communities like **MasterG & Daughters, iDream Career, Global Alliance for Mass Entrepreneurship (G.A.M.E), Space 2 Grow, Women & Child Development, GNCT, Sun Foundation, Mahindra Classrooms, Naandi Foundation, Toilet Board Coalition, Buddy4Study, NavGurukul and Lighthouse Communities Foundation** to involve them in practical projects for students, take collective decisions, and empower communities through skill development. DSEU partners with professionals as well as civil society organisations to effectively engage as well as help build stronger and more resilient local communities.

Placements

DSEU campuses have organised **more than 100 campus placement drives where companies like Maruti, Bajaj Motors, LG, Sony, Infosys, Wipro, Deloitte and many others** have participated and more than 2500 offers were made for placement. DSEU also organised Job Utsav where more than 26 companies, 1600 students participated and 1490 offers were rolled, below mentioned are a few highlights of the placements.

- **2553 offers rolled** through different placement activities
- **1063 students have got placement** through various campus drives
- 1490 offers were rolled out in the 3-day Job Utsav
- Companies like Maruti, New Allenberry and Bajaj has taken more than 200 students from different campuses.
- 94% interested students from B. Tech program got campus placements.
- Placement for all the interested student is the ultimate objective of the university

Today to name a few, we have a strong alumni network in organisations like Oracle-USA, Accenture, Nike-USA, Maruti, Amazon, SAP, Cognizant, Samsung, Infosys, TCS, Capgemini, HCL, Nokia, Airtel, Trident, IBM, Hitachi, Yamaha, ISRO, Indiamart, Godrej, HSBC, Wipro, NTT Data Services, Knorr Bremse, Reliance, NTT Data Services, Defence Services, Research Organizations, etc. The highest package offered is to the tune of INR 25 LPA.

DSEU

Innovation and Incubation

DSEU equips students with world-class skill education to enable access to aspirational jobs and inculcate an entrepreneurial mindset. DSEU aims to create a win-win for the youth and the industry by filling the existing gaps in skill training and support the entrepreneurial aspirations of its students and other external budding entrepreneurs. DSEU has set up an incubator, DSEU Innovation and Incubation Centre for Entrepreneurship (DIICE), to provide a platform for encouraging and supporting the entrepreneurial endeavours, DIICE has been set up as a Section 8 Company with its own independent Board of Directors.

The objective of the incubator to be a ***catalyst in shaping the entrepreneurial ecosystem*** through niche and tailored incubation programs offered not only at the grass root level but also to innovative start-ups across industries. The enterprises nurtured will aim to generate value for their various stakeholders and society by being scalable, sustainable, and socially responsible. The incubator intends to support start-ups set up by any entrepreneur anywhere, including those set up by DSEU students, alumni and faculty. Many DSEU programs (e.g., Interior design, Fashion design, Aesthetics & Beauty) are designed to promote freelancing/creation of traditional businesses, as evidenced by a rich pool of alumni entrepreneurs. In addition, DSEU offers various Diploma and Degree programs across various engineering streams where one would see the emergence of typical product/process innovation start-ups.

DIICE will be helping start-ups in all phases of growth - **Pre-incubation, Incubation, Acceleration and Post-incubation**. In addition, DIICE will be offering services such as access to technical experts, training, legal guidance, business connects, co-working spaces and investment support. The following programs are offered by DIICE:

- **Business Launchpad Program** - for incubating the ventures set up by the students, alumni, faculty and staff of DSEU.
- **Growth & Innovation Program** – oriented towards supporting the entrepreneurial aspirations of external entrepreneurs with innovative ideas.
- **Business Blasters Program** - for supporting a Delhi govt program – the ‘Business Blasters’, whereby top 100-150 teams of grade XI & XII student entrepreneurs will be incubated.
- **Women Entrepreneurship Program** – for fostering & supporting the entrepreneurial aspirations of women through the Anganwadi Hub Centres (AHCs) as part of the Department of Women & Child Development’s ‘Saheli Samanvay Kendra (SSK)’ scheme (‘Samridhhi’).

3.1.2. B.A. (Digital Media & Design)

Technology has created new employment opportunities in the age of the digital revolution. As digitization continues across industries, companies across the world from start-ups to well-established corporations, government departments and not-for-profit organizations are seeking digital professionals with relevant experience. DSEU understands that both theory and knowledge of relevant tools are necessary to excel in this competitive landscape. The Digital Media and Design program at DSEU is designed to provide sound conceptual knowledge and also the necessary technical skills and creative thinking ability required to be a professional designer.

The program prepares students for careers in graphic designing, illustrations, typography, web design, image processing, motion graphics, animation and digital marketing. Students are given a strong conceptual base by training them to work with traditional print media tools. Applications and softwares will be taught for raster and vector image processing, illustration, animation, video and audio production, animation, digital storytelling, web design, and UI/ UX design.

The program allows students to specialize in video production and animation, web & UI/UX design, and digital marketing, to find their own niches in this evolving industry. There is a strong emphasis on hands-on experience with the latest digital tools and industry immersion through multiple projects and internships. Lastly, the program emphasizes on making students work on industry-standard portfolios that will enable them to thrive and secure lucrative opportunities.

3.1.6. BBA (Facilities & Hygiene Management)

BBA in Facilities and Hygiene Management is India's first-of-its-kind program that will prepare you for careers in Facility Management, Waste Management, Water, and Sanitation. During the program, you would be prepared to ensure basic regulatory standards of health and safety as well as the implementation of mechanized and automated hygiene measures in any infrastructure like offices, airports, railways, and so on. Additionally, you would be encouraged to develop a "sustainability mindset" through solution-based thinking and problem-solving challenges present in the environment like waste and garbage disposal. By pursuing a career in the field, you would be contributing to the Circular Economy based on the idea that resources circulate as products are reused, repaired and remanufactured, then eventually broken down for materials recycling without creating any waste and finding opportunities in the facility management.

3.1.7. BBA (Hospital Management)

The healthcare space is witnessing unprecedentedly rapid growth in India today, further spurred along by the Covid pandemic in the past two years. With this comes the addition of around 1,00,000 hospital beds a year, with the need for 10,000 hospital administration roles annually to support this. This program, offered in collaboration with Apollo Medskills – a leading player in this space – is targeted at preparing students for these emerging management roles. It will prepare you to step into these positions with confidence across departments like general hospital administration, healthcare finance management, quality control, etc. The program will cover key technical aspects specific to Hospital Management, such as Medical Records Management, Healthcare marketing, and Legal aspects of hospital management to provide candidates with the necessary in-depth knowledge to tackle these specialized roles. At the same time, it will also ensure that candidates have a strong base in certain general management principles, such as Supply Chain Management, Human Resources Management and Finance. Further, the program is designed with a strong focus on ensuring you receive maximum industry exposure – meaning that out of the entire 3-year structure, at least 1 year will be devoted to on-the-job training in the form of internships with various hospital partners.

Additionally, hospital visits and guest lectures will form a key part of regular learning in this program as well. As such, you will gain hands-on knowledge of working in hospital administration and graduate with all the tools and skills required to make a strong career in this industry.

3.1.15. B.Sc. (Medical Laboratory Science) *

B.Sc. Medical Laboratory Science (MLS) deals with introduction to patient care with clinical laboratory investigations for laboratory diagnosis of various diseases. The information gathered through the analysis of blood, tissue and body fluids are used for identification of various types of foreign organisms and abnormalities that can further be utilized to make decisions regarding a patient's medical care. The quality of medical care has improved enormously due to the advances in technology. Medical Laboratory Professionals work in all areas of a clinical laboratory including blood banking, clinical biochemistry, haematology, immunology, histopathology, clinical genetics and medical microbiology. They perform a full range of laboratory tests- from simple prenatal blood tests, to more complex tests to uncover diseases such as HIV/AIDS, diabetes, and cancer. Medical Laboratory Scientist are also responsible for confirming the accuracy of test results, and reporting laboratory findings that further helps the physician to evaluate the effectiveness of treatment. The versatility of this course makes it an effective springboard for wide-ranging careers as Phlebotomists, Lab Assistants/Technicians, Blood Bank Technician, Technologists (Histotechnologists, Cytotechnologists), Lab In charges, Technical Officers, and Research Scientists in clinical, scientific, and industrial laboratory/Hospital.

The efficiency and effectiveness of any educational programme largely depends on the curriculum design that is being followed. Considering the need of the present and future healthcare delivery system, the course curriculum offered at DSEU is inspired by industry requirements and will help graduates to be career-ready. The students after graduating from these programs will have increased access to job opportunities, marketability, earning potential, and a pathway to advancement in their career.

One calendar year of Internship for the four-year BMLS program. The curriculum pursued during the year of internship provides both theoretical and practical experience in the field.

****This program shall be offered only for the DSEU students admitted in 2023-24 after successfully completion of 3 years of B.Sc. MLT.***

3.1.16. B.Sc. (Emergency Medical Technology)

B.Sc. in Emergency Medical Technology is designed by the Delhi Skill and Entrepreneurship University in collaboration with Apollo Med-skills. The program shall skill graduates to work as an emergency medical technician and to function at the basic pre-hospital level and treat various medical trauma conditions using appropriate equipment and materials. This is a 3-year program with a 12-month internship (embedded within the program) in a leading healthcare organization.

3.1.19. B. Optometry

Optometry is a profession that cares for the sense of vision. Latest statistics show that 80% of the blindness/issues related to the vision are preventable or avoidable by providing primary eye care and also 30% of these blind people are in India. Optometrists who are getting trained both in academics and clinical fields will be providing this primary vision care to people across the world. This 4-years program includes 3 years of academics which covers the fundamental aspects of the human eye and prepares the candidate to diagnose, treat and prevent blindness through various subjects related to the eyes and equipment, required both theoretically and practically. The last 1 year of internship will make the candidate industry-ready by providing complete practical exposure. This program is offered in collaboration with Lenskart, a company which aims to spread the mission of preventable blindness through their 1000+ stores pan India and various vision camps/programs under different departments. The internship period will be provided in Lenskart's stores in Pan India.

Library and Information Science (LIS) is the academic and professional study of how information and information carriers are produced, disseminated, discovered, evaluated, selected, acquired, used, organized, maintained, and managed. The role of libraries in providing widespread and inclusive access to knowledge is widely acknowledged. Bachelor of Library and Information Science [BLIS] is a one year (full time) postgraduate program that teaches the candidates about library management and administration. The main objective of Delhi Skill and Entrepreneurship University's program in BLIS program is to make students competent with basic information skills, both traditional and modern. And to educate them in the philosophy of librarianship, basic principles, fundamental laws and professional ethics. This program's effective pedagogy, developed by the leading library professionals from different nationwide well-known institutions and subject matter experts from several

renowned academic establishments, will aid in gainfully skilling Delhi's upcoming set of Library and Information professionals.

3.2. B. Tech Programs

3.2.1. B.Tech. Electronics & Communication Engineering (ECE)

The importance of online communication has expanded in recent years, and as electronics forms the backbone of this domain, the role of an Electronics and Communication Engineer becomes pivotal. Our students are exposed to the fundamentals of electrical and electronic engineering and are trained to apply that knowledge to drive communication innovations. ECE courses like signals & systems, communications, VLSI, and embedded systems are introduced in the early semesters. Electronics Workshops, Discipline Elective baskets, Open Elective baskets are specially created courses that aim to give students practical experience in the design of electronic circuits, and advanced communication systems. The sector looks for minds who are always looking to troubleshoot problems with easier and more sustainable solutions. learn how to design related structures and lead projects with the help of assistant network planning engineers and assistant service engineers, among other things.

The campus has a state-of-the-art Microwave and Antenna Lab involved in the research work in the area of RF systems, Electromagnetic waves and Antenna design. The facilities include

- Anechoic Chamber
- 5 axis automated Antenna positioner
- Spectrum Analyzer (9KHz – 30 GHz)
- VNA (upto 6 GHz)

Most of the research is being done in areas like broadband antennas, microwave integrated circuits, and micro-strip antennas. Today to name a few, we have a strong alumni network in

organisations like Oracle-USA, Accenture, Maruti, Infosys, TCS, Samsung, Cognizant, Capgemini, HCL, Nokia, Airtel, Trident, IBM, Godrej, DHL, Wipro, Knorr Bremse, NTT Data Services, Research organizations, Defence services etc. The highest package offered is to the tune of INR 12 LPA.

3.2.2. B.Tech. Mechanical Engineering (ME)

Mechanical engineering is among the earliest known and most diverse engineering disciplines. A mechanical engineer is someone with the ability to bring an idea to life to make our lives easier. The 4 years' program incorporates four diverse professional fields of learning including product design, manufacturing, thermal sciences and industrial management. Focus on real-world examples, activity-based learning, in campus laboratory training, and internships propels the students towards holistic development providing much needed practical exposure that is currently lacking across most institutions. The curriculum offers plethora of Discipline and Open Elective Baskets. Classroom training is interspersed with industry visits, guest lectures and project assignments. Along with the core understanding of various subjects, students are exposed to design equipment on various software and their synthesis through different methods in sync with technological advances and prepare them for lifelong learning. Upon graduation, career options are open in various sectors such as manufacturing, logistics, planning, and many more.

Today to name a few, we have a strong alumni network in organisations like Reliance, DHL, Nike USA, Maruti, Bluestar, Polestar, Loesche India, Adani Gas, Asahi India Glass, Oracle, Infosys, TCS, Godrej, Defence services, Research Organizations etc. The highest package offered is to the tune of INR 12 LPA.

3.2.3. B.Tech. Mechatronics Engineering (MCT)

Mechatronics is a multidisciplinary field that encompasses Mechanical, Electrical, Electronics, and Computer Science Engineering. The concept for this domain stems from current industrial needs and challenges that necessitate a multifaceted knowledgeable workforce to deal with and work under future requirements. An ideal Mechatronics Graduate will approach the problem from various perspectives and arrive at an innovative solution that incorporates an equitable share of all Engineering domains. Most exciting part of the bachelors in Mechatronics is the hands-on exposure to robotics wherein the students are provided all the tools and skill-set to drive this field forward, research and develop new creative ways to make the use of robots more efficient and human friendly. Apart from the vast research required in the field, they also spend a lot of time in trial and error, designing and building robots. Exposure to diverse designing software's to ease the process, students also learn the same static and dynamic knowledge of machines as a Mechanical Engineer would, with an emphasis to use that knowledge to build robots. Despite being a new field, prospects for students are high as the field is extremely important for the world in the coming days and hence, students have plethora of spaces to opt from.

Today to name a few, we have alumni network in organisations like Maruti, Uno Minda, Micromatic Grinding Technologies, ID Cube, ARI Simulation, Mitutoyo South Asia Pvt. Ltd. etc. The highest package offered is to the tune of INR 9.0 LPA.

3.2.4. B.Tech. Computer Science Engineering (CSE)

B.Tech. in Computer Science & Engineering (CSE) entails the application of science and technology to the design and development of systems and applications. The program stresses on the application of mathematics and computing principles to engineering problems. The curriculum includes subjects like big data analytics, machine learning, artificial intelligence, high performance computing and Open Elective & Discipline Electives baskets, to provide the students exposure of the recent advancements and prepare them for professional growth. Students can explore the broader applications of information technology through courses in mathematics, science, engineering, and humanities. Most industries require CSE graduates, including software, communications, healthcare, manufacturing, and even automobiles, amongst others.

The department has Advanced Computing Facilities. Students are exposed to a range of themes in computer science, appreciating and exploring the vital overlaps between domains. The labs include: Machine Learning Lab, Computer Networking Lab, Web Engineering Lab, DBMS Lab, Software Engineering Lab, Pycharm, Jupiter Notebook, Google Colab and many more.

Today to name a few, we have a strong alumni network in organisations like Oracle-USA, Accenture, Maruti, Amazon, SAP, Cognizant, Infosys, TCS, Capgemini, HCL, Nokia, Airtel, Trident, IBM, Hitachi, Yamaha, ISRO, Indiamart, HSBC, Wipro, NTT Data Services, Defence Services etc. The highest package offered is to the tune of INR 25 LPA.

2.	Lateral Entry to B.Tech.	Rs. 50,000/- (Rupees Fifty Thousand Only)

12. Seat Confirmation

12.1. Seat Confirmation Fee Payment

A candidate, who is allotted a seat in a particular round, in any of the program/campus of DSEU, is required to pay the initial amount of admission fee i.e., Seat confirmation Fee as given in Section 13.3 as per the specified schedule through ONLINE FEE PAYMENT GATEWAY only of DSEU Delhi 2023 for confirmation of seat and it will not be accepted in the form of Demand Draft/Cheque/Cash under any circumstances.

Merely payment of seat confirmation fee does not guarantee the seat. It is subject to successful verification of eligibility and documents claimed by the candidate.

A candidate can initiate the admission fee payment process after logging into his/her account on DSEU Admissions website. Fee payment link will be made available in 'candidate login' immediately after the declaration of seat allotment results of a round.

Candidates are required to KEEP THE RECEIPT OF THE FEE PAYMENT for future use.

12.2. Cancellation of allotted seat (if fail to pay Seat confirmation Fee)

If the candidate is allotted a seat in a particular round and he/she does not pay/ fails to pay the required admission fee as per the counselling schedule, his/her allotted seat shall be cancelled and he/she will not be considered for any seat allotment in subsequent rounds up to Spot Round (if any).

Note:

- Candidates are required to pay the admission fee strictly as per the counselling schedule and keep one copy of the fee receipt printout for their record. It is also highly recommended that the candidates must use only their own account for payment and not do the payment from Cyber Cafe etc.

13. Document Verification

13.1. Online Verification of documents

After the candidate submits his/her seat confirmation fees, the documents already provided by the candidates will be thoroughly verified by the Verification officers of DSEU. Refer to **Annexure-XIV** for details.

13.2. Failure of document verification for reserved category

1. In case the document verification fails for any of the documents uploaded by the candidate at the time of registration, his/her currently allotted seat will stand cancelled. In case of the wrong/false information or documents provided by the candidate, the candidate will not be able to do the counselling in the next rounds.
2. In case the document verification fails due to wrongly provided marks or there is a discrepancy in the marks in the documents uploaded and the marks entered in the form, the marks will be updated and the fresh merit rank may be generated for subsequent rounds of counselling.
3. In case the document verification fails for either the wrong/invalid category certificate, the candidate will be converted to the General category and will be considered a General category candidate in the subsequent round of counselling. In such a case, no communication will be entertained from the candidate.

13.3. Important points for Candidate seeking reservation.

- a. It is the sole responsibility of the candidate to prove his/her eligibility for claiming a reservation under any of the reserved categories. The candidates under SC/ST/OBC/EWS categories and PwD/DP/KM subcategories will be required to produce the certificate(s) of the respective reserved category/sub-category issued by the competent authority at the time of document verification.
- b. If the certificate for the reserved category candidate is not found to be in order, no benefit of the reservation will be given and the candidate shall be considered for allotment in the GENERAL category in subsequent rounds, as per the eligibility of the candidate and availability of seats. If such a candidate is able to produce his/her category certificates in further rounds, he/she will be considered for that category and will be allotted a fresh seat as per his/her merit and the vacancies available in the subsequent rounds only.

- c. Candidates belonging to OBC Category must upload the Latest Non-Creamy Layer Certificate which should be valid as on 01-08-2023 issued from the competent authority. In case the candidate has applied for the certificate and only has details of application, but no caste certificate. Such Candidates will strictly be considered as General Category Candidates.
- d. In case the candidate belongs to OBC and has passed the qualifying exam from Delhi Region, then the OBC NCL Certificate must be issued by the Competent Authority in Delhi only and the Caste Mentioned in the Certificate must be the one from the list of Castes as per the **DELHI OBC list (Annexure XII)**.
- e. The OBC candidates belonging to the Outside Delhi region must produce the OBC NCL Certificate valid as on 01-08-2023 issued by the Competent Authority from anywhere in India.
- f. In case the candidate is an SC category candidate from the Delhi region, the SC Certificate must be issued by the competent authority in Delhi and the Caste mentioned in the Certificate must be the one from the list of Castes as per the **DELHI SC list (Annexure XI)**.
- g. In case of EWS Candidates, Only FAMILY INCOME AND ASSET CERTIFICATE which is valid as on 01-08-2023 will be considered.
- h. No other certificate in this regard shall be entertained. Non-submission of certificate or admission on the basis of the wrong choice filling other than as mentioned in their PWD certificate will lead to cancellation of admission”.

13.4. Possibility of upgrade

After successful document verification, candidates can still take part in the next round of counselling for admission as per their choice of higher preference filled in their submitted choices. It may be noted that only the higher preference choices will be processed in the next round of counselling. In case the allotted choice is the First preference, then the same seat will be retained.

Note:

- Admission of a candidate is purely provisional and is subject to verification of original documents, after the physical reporting of the candidate at the respective Campus of DSEU, and payment of Balance Fee (remaining fee of Semester) which will be asked after the completion of the admission process. The seat of the candidate, who fails to pay the balance fee, will be considered as CANCELLED and the seat will be considered VACANT for SPOT Round of counselling (if any).

14. Freezing of Program and Campus Upgradation

14.1. Freezing of allotted seat

In case, a candidate desires to continue in the program allotted to him/her at the time of admission or during subsequent up-gradation (i.e., does not want himself/herself to be considered for upgradation to his/her higher preference programs in subsequent rounds of counselling), then he/she may submit an online freezing request through DSEU admissions portal using their login as per the schedule specified in the counselling schedule.

PROGRAM ONCE FROZEN CAN NOT BE REVERTED (UNFREEZE) AND WILL BE TREATED AS FINAL. ONLY THOSE ADMITTED CANDIDATES WHO HAVE NOT FROZEN THEIR ALLOTTED SEATS WILL BE CONSIDERED FOR UP-GRADATION DURING SUBSEQUENT ROUNDS OF COUNSELLING.

14.2. Upgradation of allotted seat

If the currently allotted seat is not the first choice of a candidate, such candidates may be allotted a seat from the more preferred choices of the candidate during the allotment process of subsequent rounds provided the candidate has opted for upgradation depending upon the availability of vacant seats), as per his/her merit in the respective Merit List.

14.3. Keeping record of upgraded seat

A candidate, who has already been admitted and gets upgraded in the next round of counselling, should take a printout of the new provisional seat allotment letter for their record.

Note:

Candidates are advised to visit the DSEU website regularly for details and updates.

15. Submission of Balance Fee and Reporting at the Allotted Campus

* If the DSEU student admitted in 2023-24 continues fourth year after completing 3 Years of B.Sc. (MLT), he/she will be eligible for B.Sc. (MLS).

This fee structure is subject to the approval of University's Board of Management.

Annexure- XIV**ONLINE DOCUMENT VERIFICATION**

After the candidate submits his/her seat confirmation fees, the documents already provided by the candidates will be thoroughly verified by the verification officers of DSEU. After successful document verification, the candidate's admission will be confirmed and status will be made available to the candidate on the admission portal. Such candidates can download the provisional admission letter from their admission portal.

- a. If the candidate wants to continue with the allotted seat in the program and campus (as mentioned in the provisional admission letter) and does not want to be considered for upgradation to his/her higher preferences in the subsequent rounds, then he/she must freeze their seat through the admission portal. Freezing requests can be submitted in each round only as per the dates mentioned in the counselling schedule.
- b. PROGRAM/BRANCH ONCE FREEZED CANNOT BE REVERTED AND WILL BE TREATED AS FINAL. ONLY THOSE ADMITTED CANDIDATES WHO HAVE NOT FREEZED THEIR ALLOTTED SEATS (KEPT THEIR SEATS ON 'FLOAT') WILL BE CONSIDERED FOR UPGRADATION IN SUBSEQUENT ROUNDS OF COUNSELLING. IT MUST BE NOTED THAT ONCE A BRANCH IS FREEZED BY THE CANDIDATE THE CANDIDATE WILL NOT BE ALLOWED TO CHANGE HIS/HER FILLED CHOICES IN ANY OF THE SUBSEQUENT ROUNDS AND WILL NOT BE CONSIDERED FOR UPGRADATION.
- c. In case, any deficiency/deficiencies is found in the uploaded documents, or the admission fee has not been paid, the admission of candidate will be cancelled after the completion of that round. Information about the deficiencies will be made available to the candidate on or before the last date of verification of documents (of that particular round) during each round of admission. If a candidate can clear the deficiencies before the end of that round, his/her admission will be confirmed. To clear the deficiency, candidate can upload new documents/additional documents as asked by the verification officer or he/she can visit the campus where the seat is allotted before the end of that round.
- d. For candidates, whose admission is not confirmed due to any deficiencies in documents found during that round, seat allotted to the candidate will be cancelled and counted as open for the next round for other candidates. Such candidates, whose seat got cancelled may be considered in the next round of counselling with changed credentials (e.g. if OBC certificate is not valid, category may be changed from OBC to GENERAL and will be considered for GENERAL category in the next round)

- e. In case, the admission of a candidate who has paid the Seat Confirmation Fee is not confirmed because of any deficiency in their documents, the Seat Confirmation Fee paid by them will be refunded after the closure of the admission process.
- f. Based on the number of candidates successfully completing the document verification and number of withdrawals done by admitted candidates, the vacant seats available thereafter will be used for seat allotment in the next round of counselling.
- g. Admitted candidates (who will not freeze their seat) will be considered for the next round of counselling for seeking admission for the next choice (better choice in the order of preference) as per the submitted choices. It may be noted that only the higher choices will be processed in the next round of counselling. In case the allotted choice is the First preference, then the same will be as good as the Frozen Choice.

THE SAME COUNSELLING PROCESS AS MENTIONED SHALL BE FOLLOWED IN SUBSEQUENT ROUNDS OF COUNSELLING AS PER THE COUNSELLING SCHEDULE.
